

Variety Cruises

JEWELS OF THE CYCLADES

For many years the Aegean Sea has been home for Variety Cruises, and offering the Greek cruise experience is what makes us different from the others. Greece is a traditional destination for relaxing under the Mediterranean sun, enjoying food and sea, and the gorgeous Greek Isles which were inherently designed for island-hopping adventures. Small ship cruising is the best way to explore Greece, and the combination of experiencing so many different cosmopolitan ports, like Mykonos and Santorini, isolated heaven beaches, local cultures and cuisine, is what make our cruises so unique. Best of all, Variety Cruises' small ships dock overnight in most ports, enabling guests to experience the isles' local nightlife.
