# THE CANARY ISLANDS

Lying just 100km off the Moroccan Coast, the Canaries are often referred to as "The Land of eternal Spring", defining the islands year-round sunny weather with temperatures rarely falling below 18 degrees C in the winter. The islands have an extraordinary wealth of natural beauty including lovely beaches, exotic colours and lush vistas and the world's third tallest volcano. With four of Spains seven national reserves and UNESCO designated sites, coupled with the perfect weather, Variety's Canary Island cruise program is an unforgettable experience.
